<b>Pravara Public School</b> <i>Class X, Maharashtra State Board</i> <ul style="list-style-type: none"><li>Cumulative Percentage: <b>66.6%</b></li></ul>	Pravaranagar, Maharashtra 2016 – 2017

## TECHNICAL SKILLS

- Languages:** Java, JavaScript, Python, SQL, HTML5, CSS3,
- Frameworks & Technologies:** React.js, Redux, Node.js, Django, ASP.NET, Spring Boot.
- Databases:** MySQL, PostgreSQL, MongoDB
- Tools:** Jira, Docker, IBM Rational DOORS, Git, Agile Methodologies (Scrum, Kanban).

## PROJECTS

### React Chat Web Application

- This project is a feature-rich communication platform designed for instant and dynamic conversations, built using the MERN stack (MongoDB, Express.js, React, Node.js) along with Socket.IO for real-time communication, and incorporating JWT for secure authentication.
- Users can securely register, log in, and engage in one-on-one or group chats. The platform also offers search functionality by name and email for quick connections.

## EXPERIENCE

### React Developer

December 2024 - Present

*EasyGo Technology*

*Pune, Maharashtra*

- Collaborated with the development team to design, build, and maintain the company's website using ReactJS.
- Implemented responsive design principles to ensure the website is mobile-friendly and cross-browser compatible.
- Assisted in developing and integrating dynamic user interfaces using React components and state management libraries (e.g., Redux or Context API).
